MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: PIC Representatives' Participation in the  
Air Space Sub-Group of the U. S. Surprise  
Attack Committee

1. As requested by [REDACTED], PIC has contributed part  
time services of the following named personnel to the subject committee:

2. To date our representatives have participated in four meetings  
pitched at the Official Use Only level of security. The Air Space Sub-  
Group is chaired by [REDACTED] and it is apparent that our exper-  
ience is being heavily leaned upon by the committee as it seeks to  
assess the relative value of 7 types of sensors [REDACTED]

[REDACTED] at three different altitudes -  
5,000', 50,000', and 150 miles to monitor and control the presently  
listed 14 subjects of potential surprise attack capability. In addition  
to our technical contributions we have prepared the attached form which  
will be used by the Sub-group to record its separate evaluations of the  
sensors listed. We are also being expected to provide numerous photo-  
graphic displays illustrating or simulating the results achieved from  
the listed altitudes.

3. Further, we are "T" briefing, with Gen. Cabell's approval, the  
following key members of the Committee today at PIC:

Ingersal, Stuart H., Vice Admiral  
Williams, Edward T., Lt. General  
Magee, Mervyn M., Brig. General
